A Rare Opportunity: Designer Luxury Meets Smart Living on a Stunning Waterfront Homesite. Welcome to a one-of-a-kind residence where high design, advanced technology, and architectural craftsmanship converge-created and owned by the contractor and interior designer who brought every detail to life. Nestled on an oversized 1/4-acre dual waterfront and greenbelt homesite. This showpiece home delivers a lifestyle of effortless elegance and total comfort. From the moment you arrive, the charm begins: a welcoming front porch, custom mortar-washed clay brick, and a striking 9-foot entry door that opens to 10-foot ceilings and a designer-curated interior rarely seen outside of multi-million-dollar estates. Smart, Stylish, and Fully Custom. Every inch of this home has been reimagined for modern living beginning with Leviton smart lighting automation throughout. Control nearly every light with a touch or through your custom app. To your left, a sunlit game room invites gatherings. To your right, a glass-and-steel-doored office offers privacy and sophistication. A luxurious front guest suite features Restoration Hardware pendants, a private ensuite, and walk-in closet perfect for hosting in style. This home can easily be converted into a 3rd bedroom into an open game room if the buyer
